CIRCUS PASSES THROUGH

The Rose Pallen Circus, en route from Falmouth to Lexington, passed through Paris, Sunday morning making the trip overland under horse and mule power. The circus reminded old-timers of the days of old, when all circuses traveled over roads, and the kiddies went several miles out of town to be first ones to greet them. The Rose Pallen Circus is an organization playing carnival and county fair dates mainly.

PARENT-TEACHERS' ASSOCIATION

A meeting of the Parent-Teachers' Association was held Saturday night at the Center-Hill school house, near Centerville. Henry May was elected president of the Association for the year, Mrs. W. A. Welch, secretary, and Miss Katie Burberry, treasurer. Addresses were delivered by County School Superintendent J. M. McVey and Miss Inez Caudill, secretary of the Bourbon County Red Cross. Mrs. Edward Thomas sang two solos during the program, "The Venetian Love Song," and "Good Night." Part of the program was devoted to the works of James Whitcomb Riley. The program closed with a radio concert, provided by George R. Burberry.

COUNCIL AWARDS CONTRACT

At a special meeting of the Paris City Council a contract was awarded to the Louis DesCognets Company, of Lexington, for the construction of Main street from Fourteenth street to Twentieth. The Lexington contractors bid for the work, which will be of reinforced concrete, was \$56,077. Other contractors submitting bids who were represented at the meeting were: Metz & Ahearn, of Covington; The Henry Bickel Co., of Louisville, and J. J. Gillig, of Cynthiana.

Work on the new streets will start this week, or as soon as the successful contractors get their material and machinery on the ground. If the job is not completed before winter the firm will leave the unfinished part in condition to be used.

REMEDY KILLS HENS

L. R. Mann, Louisville & Nashville engineer, is poorer by fifteen fine hens, as a result of experimenting with sheep dip for exterminating chicken lice. Mr. Mann took particular pride in his collection of egg-producers and had frequently remarked that they were the finest in the country. The chickens became the resting place for that pest of chickens, chicken vermin. Mr. Mann held a consultation with neighbors and was advised to dip them in sheep dip, which he did. After breakfast Mr. Mann went to take a look at his fowls and to see how they were progressing after their "cootie bath," and was shocked when he found every one of them dead as the "proverbial door nail." And now he vows vengeance on whoever suggests any other than a standard remedy for the troubles incidental to chicken life.

AN OPEN LETTER TO EDITOR FISHER

"Paris, Ky., Sept. 25, 1922.

"Mr. Warren Fisher,
"Editor Carlisle Mercury,
"Carlisle, Kentucky.

"My Dear Mr. Fisher:—We beg to inform you that just as soon as we read your letter, printed in THE BOURBON NEWS, and addressed to the Paris Commercial Club, concerning a little irregularity in our road from Paris to Lexington, we brought the matter to the attention of the proper authorities, and at this writing, the county end of this road from Nineteenth street to the cross-roads is approximately 35 per cent. complete and the city end of the road from Fourteenth street to Nineteenth street will be under construction some time this week. We feel just a little provoked with you for not having called our attention to this condition sooner. The people of Bourbon county and Paris use the Lexington pike so very seldom that we had failed to notice the bad condition of this highway.

"As a matter of personal curiosity, Mr. Fisher, why should any Nicholas county man be affected by road joints? However, we think you for your reminder, and hasten to assure you that any other little thing that you would like to have corrected in Bourbon county, notify the Paris Commercial Club, and we will give it prompt attention.

"Yours Sincerely,
"HAROLD F. HARRIS, Sect'y."

The Pullman Gives You an Extra Room Without Increasing Your Rent

EVERY family needs extra sleeping quarters in the home in case of emergency. Unexpected visitors come; a nurse may be necessary in any home at any time; you may wish friends to remain over night or to week-end with you; you may wish to accommodate a friend or good neighbor for a night or two; the man of the family may wish a business friend remain over night, whatever the emergency or occasion may be, a Pullman provides the extra sleeping quarters.

Some families may want to rent out a room because of present high rents. Some families may be moving into smaller apartments with fewer sleeping rooms—these are but SOME of the reasons for the immense popularity of the "Pullman."

Here is an opportunity to secure the genuine Pullman, the Davenport Bed that matches up with other furnishings in your home. You can get the same designs, the same woods (mahogany, walnut or oak), the same comfort that you get in the finest stationary davenport.

Here is a beautiful living room piece of furniture that is "as handsome as the finest davenport, as comfortable as the best bed"—one that gives double, or day-and-night service—two pieces of furniture at the price of one.
